

## High Wall Split Air Conditioner

### Premium Aurora Inverter

**IACS** (Independent Air Conditioning Solutions) is a locally-based supplier of leading global brands. We have been providing air conditioning systems for residential and commercial customers in Australia since early 2000.

With locations in Perth, Brisbane and Melbourne, we are proudly Australian-owned and operated. Our focus is on providing advanced sales and technical support that is responsive and hassle-free.

The IACS product range covers all applications. We offer room air conditioners (RACs), high wall splits, ducted and cassettes, and a complete VRF range incorporating chilled water.

With cutting-edge features, our MDV air conditioners are of exceptional quality and deliver superior performance for Australian climates.

MDV is produced by the internationally-renowned Midea Group – the largest manufacturer of air conditioners in the world.
